Unit 1 The English Colonies Understanding Vocabulary

Directions: In each box below, there are vocabulary words that relate to our goals for this unit. For each word, you need to write a description of the word meaning and draw a picture to help you remember the word. When you have done that, rate your understanding of the word. Circle which ever number applies to your knowledge. (1 meaning you don't get it at all and 4 being that you totally understand the word.)
